Dear Bolden:

I have just written Edward Stone
68 West Market St.
Newark N.J. and
Fredrick Hoobgood
78 West Market St.
Newark N.J.

c/o Bill Derricks
and told them they have been traded by The Eagles
to The Phila. Stars, and they would hear directly
from you.

Most ball players pout a little when they
are first traded, but they get over it. I know you
will know how to take care of the situation.

Stone would only play week end baseball
last year, and that may suit you just as well. I
do hope everyone benefits from the trade.

Very Truly Yours
